

2019 Moffitt Scientific Symposium – May 1-2, 2019
Call for Abstracts - Abstract Submission Site will open on January 2, 2019!
All abstracts must be submitted
by 5:00 PM EST on Friday, March 1, 2019

Abstract Submissions: Clinical Fellows, Post-Doctoral Fellows, Residents, Graduate Students, Undergraduate Students, Research Scientists and Staff Scientists conducting research at Moffitt Cancer Center are invited to submit an abstract for the 2019 Moffitt Scientific Symposium (limit one abstract per presenter). Early submission of your abstract is encouraged as space is limited.

There will be three options to present your research:

- **Oral Presentation** - ten (10) individuals will be selected from the submitted abstracts to give an 8-minute oral presentation. Two presentations from each of the following 5 categories will be selected: basic science research, clinical science research, population science research, quantitative science research and translational science research. These individuals will receive a monetary award of \$100.
- NEW this year: **Featured Poster** - up to fifteen (15) individuals will be selected from the submitted abstracts to be a “Featured Poster.” These individuals will be given 3 minutes at the podium to give an overview of their research and they will also be given the opportunity to present a poster. These individuals will receive a monetary award of \$50.
- **Poster Presentation** – all others who meet the submission criteria will be selected to give a poster presentation, space limiting. These individuals will be provided a slot during a one-hour poster session and will be eligible to be selected as a “People’s Choice” poster. Attendees will be able to select one poster from each of the five categories as their favorites. One winner in each category will receive a monetary award of \$50.
